ACADEMICS

CLLC’s customized curriculum is unique. It has been designed to maximize the academic experience.
GENERAL ENGLISH
CLLC’s General English Program has six levels. From Introductory to Advanced. The program develops skills in five areas: Reading, Writing, Listening, Speaking, and Critical Thinking. Students are able to progress through the levels at their own pace with flexible scheduling options.

UNIVERSITY PATHWAY
CLLC’s University Pathway Program (UPP) focuses on time management, note taking, exam preparation, academic presentations, and essay writing. Students can complete UPP in any CLLC city and continue on to one of CLLC’s partner universities or colleges without writing an English language proficiency exam.

BUSINESS ENGLISH
CLLC’s Business English course uses real business case studies. Each case study covers a specialized area of business practice. Students work to develop solutions to specific problems, prepare presentations, learn business vocabulary, and write reports, emails, and letters setting out conclusions.

IELTS / TOEFL
CLLC’s IELTS exam preparation course is designed to give students the skills needed to pass their exams. CLLC teachers focus on the IELTS modules to make sure students know what to expect when taking an IELTS exam. A minimum of Level 4 General English is needed to enrol in the IELTS class.

GROUP PACKAGE
CLLC’s Group Program is offered in CLLC’s three cities: Toronto, Ottawa, and Halifax. CLLC offers exclusive rates for groups of more than 5 students. Flexible schedules are available and chaperones are welcome. The minimum age is 14 with a chaperone and 16 without. Contact: info@CLLC.ca for details.

My CLLC EXPERIENCE

Fanta Noumansana
Mali

CLLC is the place to learn English while having a good time. The staff are always in a good mood and the building is new and modern. It is a beautiful experience. My most memorable experience is without a doubt, meeting all the new students from all over the world. In addition to improving my English, I have made lifelong friends. Thank you CLLC!

The time that I spent in CLLC was a great experience that allowed me to improve my English skills and develop personally. The staff are helpful and kind. They always help me when I have problems. The teachers are great, and they did a lot to teach me English and improve my skills. Toronto is a great city. The people are polite and helpful. I met a lot of different people from other countries. I learnt so many new things, and it was great experience for my personal development. Thanks CLLC family.

My first impression of CLLC is that it is a family. Everyone always asks how you feel and about your adaptation. The infrastructure is great and the teachers are amazing. This is the reason I have come back here for a second time! And next year I plan to return again! I really love Halifax and this school.
